The briefing event is complimentary, but registration is required due to limited seating.

WHY CHILE?

- Chile is one of the most open, stable and prosperous markets in Latin America
- Due to one of the most successful Free Trade Agreements in the region, 90 percent of U.S. exports already enter duty free, with remaining tariffs phased out by 2015
- No healthcare registration required for most medical devices and equipment
- New U.S.-Chile Visa waiver was passed this year

TOP EXPORT SECTORS

Construction • Infrastructure • Electric Power Equipment • Renewable Energy Equipment & Supplies • Healthcare/Medical Equipment and Devices • Safety and Security Equipment • Irrigation/Water Resource Technology • Food Processing/Packaging Equipment • Agricultural Machinery & Equipment • Mining Equipment • Auto Parts • Consumer Goods • Telecom

A limited number of one-on-one meetings with the trade specialists are available on a first-come, first-served basis. To reserve your spot, please contact Lorrie Belovich at lbelovich@tampaedc.com or 813-518-2654.

Presented by the Tampa Bay Export Alliance, a partnership of the Tampa Hillsborough Economic Development Corporation and Pinellas County Economic Development, in association with:
